Our School Values.

Ambition Resilience Community

Our school culture is embedded through our core values and these are at the heart of what we do. They are woven into our curriculum, underpin our teaching and learning and provide an environment which prepares our pupils to be confident and exemplar members of our community.

We ensure that we '**Make Every Minute Meaningful**' for all our children to give them the best possible start to their education. We are proud of our community and champion every child to excel.

Our School Day

[Home](#) >> [About Us](#) >> [Our School Day](#)

A school day is 6 hours and 30 minutes long (from morning registration until the end of the day) meaning that, in a typical week, children spend 32.5 hours at school.

A typical day at Wellington Community Primary School consists of:

08:35 - Main gate opens

08:40 - Classroom doors open

08:45 - Registration (to be completed by 08:50)

15:15 - Home time

Attendance and Punctuality

Children need to be in school **every day** and **on time**.

Face-to-face education is important in helping pupils to fulfil their potential.

During school time we believe pupils should be in class with their teachers and peers and enjoying all the benefits that brings.

Why is regular attendance so important?

Being in school every day that it is open is important to your child's achievement, wellbeing and their wider development.

[Evidence](#) shows that the students with the highest attendance throughout their time in school gain the best GCSE and A Level results.

Punctuality

If your child is consistently late, they may miss out on reading and may fall behind in their attainment. We start every day with reading and phonics lessons at Wellington so it is crucial they don't miss out on this learning.

It is also really hard for a child to walk in late to a full classroom that has already settled; they will miss out on the normal routines and time to adjust and find out about their day.

Attendance and Punctuality - legality

Parents or carers of a child have a legal responsibility to ensure their child receives a suitable education. This is usually achieved through regular attendance at school.

Maintained schools **must** only grant leaves of absence for specific circumstances and you must ask the school in advance. Leaves of absence will not be given for holidays and are very rarely given!

New rules around issuing fines for unauthorised absences

The new national framework for issuing penalty notices is designed to help ensure consistency across the country.

Fines will increase to:

£80 to be paid within 21 days, or

£160 if paid after 21 days but within 28 days

What we want to achieve

Our aim is to ensure that the children experience a smooth transition from Y1 to Y2.

The Year 2 curriculum extends the experiences that children have had in Year 1.

We believe in providing children with a broad and well-balanced curriculum through a range of individual, small group and large group activities.

School Uniform Expectations

**ALL UNIFORM
AND BAGS MUST
BE CLEARLY
NAMED**

- School jumper (worn or held, not tied around the waist)
 - White polo shirt - always tucked in
 - Black/grey trousers/skirt
 - Black shoes (no coloured laces etc...)
 - Hair should be tied back if long
 - No nail varnish and stud earrings only
 - No other jewellery unless for religious reasons
- (all jewellery must be removed for PE)
- No rucksacks needed just a book bag and drawstring P.E bag.

PE Information

P.E. kits need to be in school on a weekly basis

PE days are **Tuesdays** and **Wednesdays** for all of Year 2.

Children should bring in their PE kit on a Monday and keep it in school all week.

Indoor PE kit should consist of: black shorts, white t-shirt and trainers.

In the colder months, children will need to wear tracksuit bottoms and their school sweatshirt as we often do PE outside.

Long hair should be tied back.

No jewellery.

For health and safety reasons, **staff are not allowed to remove a child's earrings.** This must be done either by the child or their carer beforehand.

House keeping and contacting us

- **Water bottles** - these should be labelled and brought into school every day.
- **No Nuts** - please be aware we are a nut free school & there are children with severe nut allergies.
- **Birthdays** - packaged items only, no items that may contain nuts (we also have a number of vegetarian/halal children)
- **Speaking to us** - our relationship with parents/carers is really important. The best way is to communicate via email through the office with a reason why you need to speak to us and we will give you a call back or email as soon as we can! SLT are on the gate in the mornings and you can always talk to them as well.

What zone are you?

All zones are okay
All feelings are okay

Before you can self-regulate, you need to be able to identify how your brain and body feels.

In our school we use 4 zones to help us identify our feelings. These are called our 'Zones of Regulations'. You can see these in our classroom and around the school.

The four zones are:

At our school we think it is important to provide praise to those children who make good decisions and show a learning attitude. Therefore, we will also use our...

Friday	Early morning work	RWI/ Reading Journey	English		Mental fluency	Maths		Spelling test	Science		Celebration Assembly

Library
afternoon

Reading

In school:

Daily reading journey lessons /phonics sessions

At home:

If the children are still on the RWI scheme, they will take home two decodable books a week (matching the colour they are on). If they are off the scheme, they will take a chapter/longer book home once a week or whenever they finish it.

We would really appreciate it if you could read with your child everyday (but a minimum of 3 times a week) and record this in your child's yellow reading record. Class teachers will monitor reading records to look for regular readers and to see who may need extra support at school.

Books and reading diaries need to be brought into school everyday as there will be opportunities throughout the school day where adults will read with the children.

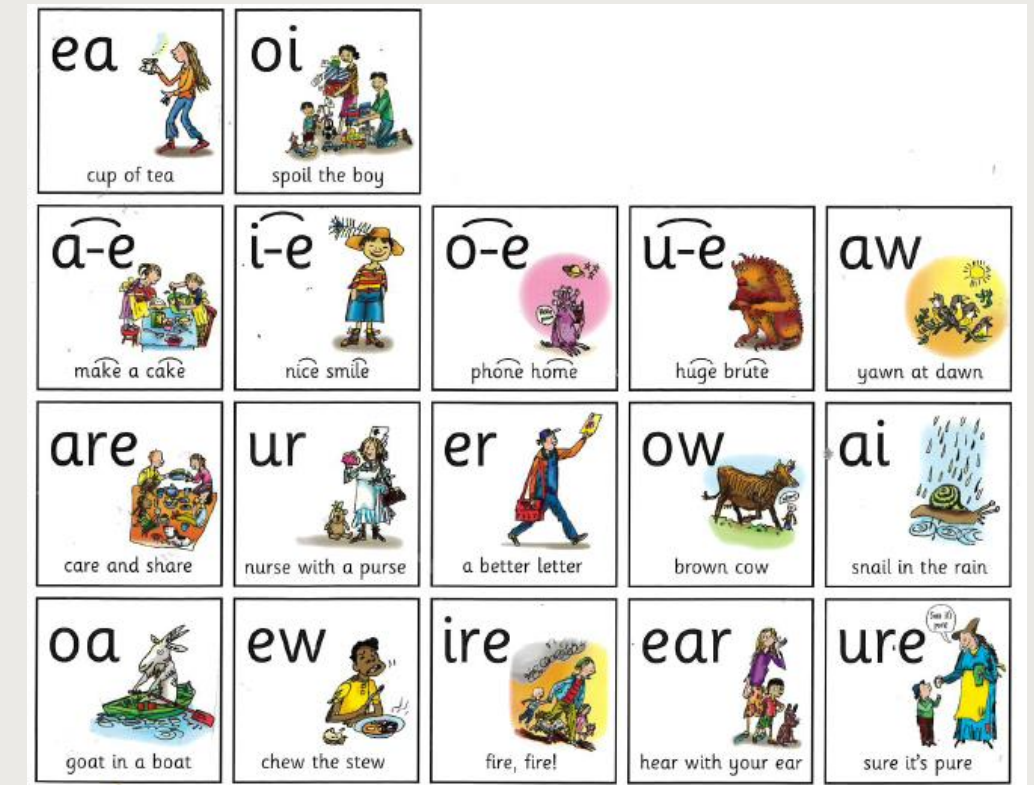

The children's reading books will be changed on a weekly basis - this will usually be on a Monday.

Phonics Support for Parents:

Read Write Inc website (you can also access this through our school website).

Phonics

In June last year the children sat their phonics screening test.

Anyone who didn't pass will re-sit this summer.

We need your help with daily reading and phonics practice to help our children thrive in their learning - and all learning starts with reading!

Homework

Reading

Children need to read daily if possible but at least 3 times a week.
Please sign the yellow reading record every time they read, whatever they read!

Maths

Maths homework will be set on Numbots to help children practice their fluency and mental maths at home. Your child will be given a log in and password which will be stuck into their yellow reading record.

Spelling

Children are given 6 spellings on Monday in their yellow reading records and will have a spelling test on Fridays. These tests will be very informal and are nothing to worry about.

Weekly homework – maths / spelling / reading

SATS...

..are now not statutory. This means that, if they are carried out, we will not have to report the results to you.

However, at Wellington, we have a rigorous assessment system and you will receive reports and updates throughout the year to let you know where your children are.

PTA

Wellington has an active PTA who are always looking for new members to join.

Have your say and share your ideas.
Last year £4,000 was raised!

Look out for the AGM.
