			KPIs covered						
Phase 1	 Discusses and records ideas which support writing Orally rehearses sentences and is beginning to use an increasing range of sentence structures and varied vocabulary Organises paragraphs around a theme In narratives, creates settings, characters and plots Extends sentences with more than one clause using conjunctions because, so, but, and, while Uses the form a or an according to whether the next word begins with a consonant or a vowel Chooses nouns or pronouns to avoid repetition 								
Phase 2	 Expresses time, place and cause using conjunctions, adverbs and prepositions In non-narratives uses simple organisational devices Proof-reads for spelling and punctuation and makes suggestions for the effectiveness of their own and other's writing Uses diagonal and horizontal strokes that are needed to join letters and understands which letters, when adjacent to one another, are best left unjoined 								
	 Uses the present perfect form of verbs instead of the simple past Introduces inverted commas to punctuate direct speech and uses a range of punctuation, mostly correctly 								

- Use further prefixes and suffixes and understands how to add them
- Spells correctly further homophones and words that are often misspelt
