

Year 4 Curriculum Newsletter

We hope you all had a wonderful and refreshing break! As we step into the summer term, we're excited for all the learning, adventures and fun ahead. This term promises to be packed with exciting activities and new challenges. In history this half term, we will be learning about our local area and, in particular, the army and its connection to Aldershot. In art, we will be learning about what abstract art is and focusing on the artist Pablo Picasso. If you would like to find out about all of our exciting topics this half term, please read on. Let's make the most of the sunshine and embrace new experiences as we look forward to another fantastic term filled with curiosity, creativity and success!

Curriculum Overview

Attached to this curriculum letter, you will find a curriculum overview of the things that we will be covering in our learning this term and the weekly timetable.

School Timings

Just a quick reminder that the school gate opens at **8:35am**, the classroom doors open at **8:40am** and school finishes at **3:15pm**. If you arrive **after 8:50am**, please take your child to the school office first - thank you.

Attendance and Punctuality

Children need to be in school **every day** and **on time**. Face-to-face education is important in helping pupils to fulfil their potential. During school time, pupils should be in class with their teachers and peers and enjoying all the benefits that this brings.

Physical Education

PE will be on a **Wednesday** and **Thursday** this term. P.E kits should be brought in on a **Monday** and will be sent home on **Thursday** to be washed. Appropriate footwear is essential. Please make sure children do not wear jewellery to school on these days and that they have a hair band/bobble to tie their hair back, for health and safety purposes.

Home Learning

Children will be expected to practise their weekly spellings at home. These will be given to the children on a **Monday** and stuck into their reading records. The children will then have a short spelling test on a **Friday**. This means it is even more important that **reading records are in school every day**. We thank you for your support with this.

Try to play TTRS at least three times a week but we encourage them to access it as many times as they wish.

Online Safety

A reminder that children should be supervised when using the internet. There are filters available and child-friendly search engines such as 'Google Kids'. Children are not permitted to use social media such as Facebook, Instagram or TikTok until they are aged 13+.

Reading

Children are expected to read with an adult for 20 minutes at least 3 times per week. They all have 1 library book and some children may have additional books to support their learning. If they are reading library books, they need to be of an appropriate level in order to read alone. If they have two books, one may be harder and is for you to share together. Books and reading records are expected to be in school at all times. Our library time will be confirmed at a later date with the children.

As always, your continued support is very much appreciated. If you do wish to discuss anything with us, please do contact the school office or arrange a meeting after school.

Yours faithfully,

Mrs Begum
